REACH YOUR POTENTIAL

The WinSETT Centre Leadership Program is coming to St. John's.

If you are a woman in Science, Engineering, Trades or Technology and you want to improve your leadership skills to reach your potential, this is the program for you. Built upon the experiences of Canadian women in SETT and proven across the country, this is the first time the full series has been offered in St. John's.

Contact us today - you can sign up for all the workshops or just one, but registration is limited to 30.
